DIRECTOR OF CENTRAL INTELLIGENCE

**Security Committee**

SECOM-D-134

20 June 1983

MEMORANDUM FOR: CIA Member, UDIS

VIA: Chairman, UDIS

FROM:

  
Chairman

25X1

SUBJECT: Unauthorized Disclosures, 1972-1974

1. The attached memo dated 6 February 1975, same subject, lists 106 incidents of publications of unauthorized disclosures of classified information from 1972 to 1974. The list is extremely sparse, and there is no indication of who said these were unauthorized disclosures or of any certification of damage to the national security resulting from them.

2. Since these disclosures allegedly were compiled from CIA Office of Security records, I would appreciate it if you would try to check out the basis for them and advise me. Also, I would appreciate copies of any other similar documents listing unauthorized disclosures, particularly of more recent vintage.

## THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

6 FEB 1975

MEMORANDUM FOR: Chairman, President's Foreign Intelligence  
Advisory Board

SUBJECT : Unauthorized Disclosures, 1972-1974

I am forwarding the attached material in response to your request for a list of unauthorized disclosures for the period 1972-1974. We utilized the central security files of the CIA's Office of Security in compiling the list. The central files contain primarily those leaks reported directly by CIA operating components and indirectly by other members of the intelligence community through the Security Committee of the United States Intelligence Board. Therefore, some leaks of concern to non-CIA agencies and departments will not be listed.

I trust this material satisfies your needs.
